

Automotive Lift Light Kit (13ft)

SKU: 8455

Inspired LED

The **Automotive Lift Light Kit** showcases a distinctive LED system housed in a flexible PVC jacket, designed to withstand oil, grease, and various workshop elements. Its user-friendly plug-and-play design, along with magnetic mounting pads and an easy-to-use switch, ensures straightforward installation and effortless adjustments, making it the perfect lighting solution for automotive repairs or displays.

Standard pre-made kits, or custom sizes available by request via orders@inspiredled.com.

Product Features:

- Super Bright 60 LED/M Pure White (4200K) LEDs
- Durable, weather resistant PVC casing
- Energy efficient, rated to last 50,000 hours
- Magnetic mounting pads for easy install
- Fits most straight 4-post lifts and some 1-post lifts
- US Patent #: 9115858
- CSA Listed #: 265216

To be installed in accordance with NEC, using Class 2 power supply only

Instructions:

1. Identify the nearest electrical outlet for the 5A plug-in power supply. Plug in and test each LED strip prior to installation to verify proper operation.
2. Position the LED strips on the lift in the desired mounting location. Ensure the female pigtail connector is oriented toward the 5A power supply or electrical outlet.
3. With the strips temporarily in place, install the in-line switch with attached Y-cable by plugging the male connectors to both LED strips. Connect the 5A power supply to the female connector.
4. Power on the system and test operation again. Once placement is confirmed, remove the VHB backing and secure the in-line switch in the desired location.
5. Use cable clamps to secure all wiring neatly along the lift and prevent cable movement.

Kit Contents:

PVC Jacketed Super Bright Pure White Flexible Strips

- 13ft (L) x 0.56" (W) x 0.44" (H)

Magnetic Mounting Clips

- 9 per strip spaced every 20"

12VDC 5 AMP Plug-In Power Supply (UL Listed)

- 8ft Output Cable

In-Line Switch with Y-Cable Output

- 4" Female Input Cable
- 10" x 63" Male Output Y-Cable
- VHB Backing

Cable Clamps and Screws

- 1" (L) x 1.5" (W) x 0.25" (H)
