# Distributor Stock Rotation Policy (2026)

Inspired LED

**Effective Date**: January 1, 2026
**Company**: Inspired LED

Stock rotation is a courtesy extended to qualified distributors to help maintain healthy inventory levels. Stock rotations are not guaranteed and are subject to Inspired LED approval. If you have any questions, please contact us prior to placing an order at orders@inspiredled.com.

### Eligibility

To qualify for stock rotation:

- Distributor account must be in good standing.
- Products must have been purchased directly from Inspired LED.
- Products must be current production items and not obsolete, discontinued, clearance, or special-order products.
- Products must be new, unused, undamaged, and in original packaging suitable for resale.
- Products manufactured or purchased within the previous 18 months.

### Rotation Frequency

Stock rotations may be requested **up to two (2) times per calendar year**.

All requests require prior written approval and an RMA before product is returned.

### Product Age

Products manufactured or purchased within the previous **18 months**, as determined by Inspired LED's records, are eligible for stock rotation.

Products older than 18 months may be reviewed on a case-by-case basis but are not guaranteed to qualify. Requests exceeding these guidelines may be approved at Inspired LED's sole discretion.

### Rotation Limits

A stock rotation request may not exceed **10-15% of the distributor's purchases during the previous 12 months**, whichever is less.

- **Example**: Annual purchases: $200,000
- **Maximum stock rotation**: $20,000-$30,000

### Product Mix

Inspired LED reserves the right to limit excessive quantities of any individual SKU and may decline stock rotation requests that would create unreasonable inventory imbalances.

### Credits

- Approved stock rotations will be issues as **account credit only**.
- No cash refunds will be issued.
- Credits are applied after products have been received and inspected.

### Shipping

The distributor is responsible for all freight charges associated with stock rotations unless otherwise approved in writing.

### Exceptions

Inspired LED reserves the right to approve or deny any stock rotation request at its sole discretion based on inventory levels, product condition, purchase history, and current business needs.

### Stock Rotation Disclaimer

*The Inspired LED Stock Rotation Program is offered as a courtesy to qualified distributors and is not a guaranteed benefit or contractual obligation. All stock rotation requests are subject to prior approval and may be approved, modified, or denied at Inspired LED's sole discretion. Inspired LED reserves the right to establish, modify, suspend, or discontinue the Stock Rotation Program, including its eligibility requirements, product qualifications, return limits, credit terms, and procedures, at any time without prior notice. Approval of any individual stock rotation request or exception does not constitute a waiver of this policy or establish a precedent for future requests. Inspired LED reserves the right to limit the quantity, age, value, or product mix eligible for stock rotation if a request is determined to be excessive, outside normal inventory management practices, or likely to create an unreasonable inventory burden.*
